A Directory of ESL/EAL Programs and Services  
in Selected Urban Centres in Alberta  
April 2016 to August 2016

Language Assessment, Referral and Counselling Centre  
LARCC  
Catholic Social Services

---

Commissioned by:  
Language Training Programs  
Alberta Ministry of Labour

The Language Assessment, Referral and Counselling Centre (LARCC) of Catholic Social Services was commissioned by Alberta Ministry of Labour to compile the *Directory of ESL/EAL Programs and Services in Selected Urban Centres in Alberta*.

This compilation of information was designed to serve as a general guide to ESL programs and services, and should not be considered a fully-authoritative list of programs and services in selected urban centres in Alberta or as an endorsement of the programs and services listed.

#### **ACKNOWLEDGMENT**

Special thanks to the many ESL providers for their prompt response to our request for revisions and updates.

## **Overview of the Canadian Language Benchmarks Descriptors 1 to 8**

**Note that descriptors for BM 9-12 are not included here.**

(The following descriptors are based on the Canadian Language Benchmarks 2000 and are quoted from the Canadian Language Benchmarks Assessment, Client Profile Form, 1998, Peel Board of Education, Centre for Language Training and Assessment.)

### **Listening/Speaking Descriptors**

#### **Benchmark 1**

Initial competence in basic oral communication. Can follow and respond to simple greetings and instructions. Needs much support from assessor. Struggles to understand instructions. Understands meaning of individual, high-frequency words. No evidence of connected discourse. Has almost no control of basic grammar structures or tenses. Pronunciation difficulties may significantly impede communication. Has very limited vocabulary.

#### **Benchmark 2**

Beginning competence in basic oral communication. Can follow and respond to questions about personal information. Often needs support from assessor. Often struggles to understand instructions. Understands several words or a short sentence. Little evidence of connected discourse. Has little control of basic grammar structures and tenses. Pronunciation difficulties may significantly impede communication. Has limited vocabulary.

#### **Benchmark 3**

Developing competence in basic oral communication. Can take part in short informal conversation about personal experience. Sometimes needs support from assessor. Understands most instructions. Understands most short sentences. Some evidence of connected discourse. Conveys messages using single words and short sentences. Has some control of basic grammar structures and tenses. Pronunciation difficulties may often impede communication. Vocabulary generally adequate for basic oral communication.

#### **Benchmark 4**

Adequate competence in basic oral communication. Can describe the process of obtaining essential goods and services. Needs little support from assessor. Understands instructions. Understands short sentences. Clear evidence of connected discourse. Conveys messages using a variety of short sentences. Has control of basic grammar structures and tenses. Pronunciation difficulties may impede communication. Vocabulary adequate for basic oral communication.

#### **Benchmark 5**

Can comprehend and relate video-mediated instructions. Understands and uses a variety of sentence structures. Discourse is reasonably fluent. Grammar and pronunciation errors sometimes impede communication. Can comprehend and use a range of common vocabulary.

#### **Benchmark 6**

Can comprehend and relate audio-mediated information. Understands and uses a wide variety of sentence structures. Discourse is reasonably fluent. Grammar and pronunciation errors may sometimes impede communication. Can comprehend and use a range of common and idiomatic language.

#### **Benchmark 7**

Can discuss concrete information on a familiar topic. Comfortably engages in a conversation at a descriptive level. Discourse is fluent. Grammar and pronunciation errors rarely impede communication. Uses an expanded inventory of concrete and idiomatic language.

#### **Benchmark 8**

Can comprehend and synthesize abstract ideas on a familiar topic. Comfortably engages in a conversation at an abstract level. Discourse is fluent. Grammar and pronunciation errors do not impede communication. Uses an expanded inventory of concrete, idiomatic and conceptual language.

## **Reading Descriptors**

### **Benchmark 1**

Functions minimally in understanding written text. Shows little sight-word recognition except for a small number of familiar words and simple learned phrases in predictable contexts related to immediate needs.

### **Benchmark 2**

Sight recognition is limited to familiar words related to everyday needs in predictable contexts. Can find specific information, mostly in simple formatted text with clear layout.

### **Benchmark 3**

Able to read a simple passage within a familiar, predictable context of daily personal life: simple narrative of routine events (e.g., stories written and read in class); simple descriptive prose about people, places and things; set of instructions.

### **Benchmark 4**

Able to read a simple 2-3 paragraph passage within a mostly familiar, mostly predictable context of daily life and experience: simple narrative, bibliographical or descriptive prose, set of instructions.

### **Benchmark 5**

Able to read and understand purpose and general idea in some authentic 2-3 paragraph texts within a mostly familiar, mostly predictable context of daily life and experience. Language is mostly concrete, factual and literal. Some vocabulary items on abstract ideas.

### **Benchmark 6**

Able to read one page of authentic text, mostly of factual nature. Vocabulary items relate to abstract ideas. Context is familiar, mostly predictable, practical and relevant to daily life and experience.

### **Benchmark 7**

Able to read an authentic text of mostly factual, concrete nature with some abstract ideas within a familiar, predictable, mostly practical and relevant context of daily social, educational and work-related life experience.

### **Benchmark 8**

Able to read authentic texts, mostly of factual nature within an unfamiliar and only partially predictable context of daily social, educational and work-related life experience.

## **Writing Descriptors**

### **Benchmark 1**

Functions minimally in writing. Writes a small number of familiar words in predictable contexts and copies letters, numbers and short phrases. Writing is characterized by inconsistency and frequent errors.

### **Benchmark 2**

Developing some competence in writing. Produces a small number of familiar words and phrases in predictable contexts. Has occasional difficulty with simple structures and limited control of spelling and mechanics.

### **Benchmark 3**

Demonstrates adequate competence in performing simple, familiar, personal writing tasks. Has satisfactory control of simple structures, spelling, and mechanics.

### **Benchmark 4**

Is competent in performing basic, familiar writing tasks. Composes short messages, notes about personal experience, and fills out simple forms. Has good control of simple structures, spelling, and mechanics.

**Benchmark 5**

Competently performs basic, familiar writing tasks, and shows minimal competence on more complex tasks of a business or social nature. Demonstrates ability to write short paragraphs. Has frequent difficulty with complex structures. Spelling and mechanical errors may interfere with comprehensibility.

**Benchmark 6**

Developing competence on more complex tasks of a business or social nature. Reproduces information from a visual graphic, completes formatted text of medium complexity, and writes short letters and reports. Has occasional difficulty with complex structures.

**Benchmark 7**

Demonstrates adequate competence on writing tasks, which are more complex and demanding. Joins paragraphs into coherent tasks, uses complex structures, and supports main ideas. Has satisfactory control over complex structures, spelling and mechanics.

**Benchmark 8**

Demonstrates fluent competence in writing tasks, which are complex and demanding. Writes coherent reports, formal letters and short articles. Links sentences and paragraphs to form coherent text, provides good support for main ideas, and displays an appropriate sense of audience. Has good control over complex structures, spelling, and mechanics.

The Canadian Language Benchmarks 2000 document is available from Citizenship and Immigration Canada (Fax: 613 954 2221). Refer to catalogue C&I-405-09-00.

<b>Institution:</b>	<b>Centre for Education &amp; Training</b>		
<b>Name of the Program:</b>	<b>LINC Home Study</b>		
<b>Brief description:</b>	LINC Home Study is a free program intended to help Permanent Residents and Refugees to learn English in a flexible and convenient format. It is targeted to meet the needs of those living in rural areas or those unable to attend English classes in person. This program is based on the Canadian Language Benchmarks and addresses a broad range of settlement topics. The program is funded by Immigration, Refugees and Citizenship Canada.  Students choose between online (computer with internet access) or correspondence (books and CDs) learning options and study independently from home. TESL-certified instructors conduct weekly one-on-one lessons with students using telephone or VoIP. Students complete assignments and receive on-going support and feedback on progress.
