

TESL CANADA OVERVIEW

TESL Canada Benefits

1. National organization to represent and advocate for our profession (e.g. NLAB)
2. Production of a professional journal twice a year
3. Certification system for teachers
4. Accreditation system for teacher training programs
5. PLAR process to provide a means for many foreign teachers to become recognized
6. National certification required by many government funding agencies
7. National certification desired by some international schools
8. National presence and committee support with provincial and regional conferences (e.g., upcoming Atlantic conference)
